NITCO

A piece of
History for
your home

TERRAZZO | NATUROC

600x600mm GVT

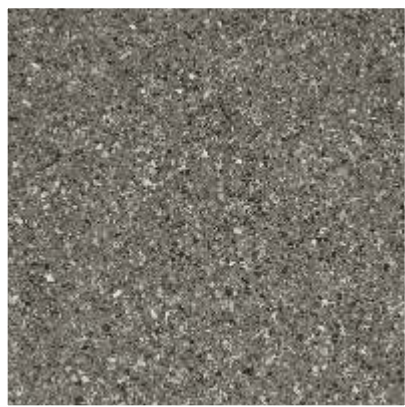

600x600mm GVT

How about setting foot on something of historical significance every time you walk around inside your home? That's NITCO's **TERRAZZO** collection for you. A range of Venetian Mosaic that draws inspiration from the original Greek legend. The piece, historically, used to amalgamate quartz, glass, marble, granite, lime, and clay. NITCO's **TERRAZZO** collection is a fitting tribute to this piece of historical significance. Inspired by the original **TERRAZZO**, these vitrified tiles retain the look and feel of the historic original. Coveted by artists and architects alike, it is as practical as it is aesthetically pleasing. History is the proof of its endurance, for its low maintenance cost and durability makes it ideal for interior as well as exterior applications.
