About us

NITCO (Northern India Tiles Corporation) Limited was established in 1966 by Late Mr. Pran Nath Talwar, a first generation entrepreneur. The Company is engaged in providing floor and wall solutions with a portfolio comprising a comprehensive range of tiles, marbles and mosaic. The Company has also forayed into real estate.

The Company's equity shares are listed on the Bombay Stock Exchange and the National Stock Exchange. The promoters held 69.54% of the Company's equity as on March 31, 2017.

Presence

NITCO is headquartered in Mumbai and possesses a pan-India presence through a wide distribution network comprising approximate 1200 dealers and 5000 retail outlets (at the close of 2016-17).

The Company's manufacturing units are strategically located in multiple states. While its Marble division is located in Silvassa (Dadra and Nagar Haveli), its Ceramic Tiles division is located in Alibaug (Maharashtra), 51% JV for manufacturing Vitrified and Wall Tiles is located in Morbi (Gujarat) and Mosaic Tiles division in Alibaug (Maharashtra).

Clientele

Apart from catering to domestic demands, the Company enjoys a sizeable client base overseas and exports to Nepal, Turkmenistan, Kenya, South Africa, Belgium, Mauritius, Oman, Argentina, Uganda, Zambia, U.K. , Ethiopia, Tanzania, Seychelles, Netherlands, Qatar, Uganda, Poland, Saudi Arabia, Uganda, U.S.A., Burundi, Australia.

Innovation at NITCO

NITCO constantly endeavors to give consumers the best by curating designs that are technologically impressive and products that are aesthetically appealing. As far as designer variants with technological innovations are concerned, NITCO is truly the brand to reckon with. Its high definition digital printing technology is a breakthrough in the Indian tile market.

The Digital printing used in our latest offering ensures high-resolution, multilayer printing as fine as nanometer grade on flat as well as curved or textured surfaces. The technology also ensures a uniform, edge-to-edge printing thus creating a seamless look. We use this technology for both vitrified and ceramic-based tiles. Our high abrasion-resistant glaze composition not only gives lifelong protection to the floor but also the perfect aesthetics for one's space.

Taking cue from universal elements, HD digital tiles – like NITCO's Trulife create true to life surfaces. With the use of modern techniques like 8 colour prism printing technology, every surface carved, every texture imprinted exudes nature in its minutest feature. Razor sharp detailing, finest resolution and plethora of sizes take you closer to Mother Nature.

Certifications

The Tile Plant at Alibaug, Maharashtra has been certified for Integrated Management System (ISO 9001:2008 - For Quality Management, ISO 14001:2004 - Environment Management, OHSAS 18001:2007 - Occupational Health and Safety Management) and the Corporate office has been certified for ISO 9001:2008 - For Quality Management .

NITCO obtained the prestigious Bureau of Indian Standards (BIS) certification for products manufactured at our Alibaug facility.

This certification would enable us to use the well known "ISI" mark on our product /packaging which is synonymous with quality products.

Business model

Distribution network

With a strong distribution network, NITCO caters to demand from across India. Widening its presence further, the Company has built a reliable client base overseas as well. The Company has increased its distribution network in the North and East zone of the country.

Brand equity

The NITCO brand stands for pioneering innovation in 600x600 mm glazed vitrified tiles of which the Company is among the largest manufacturers in India. We also manufacture rustic tiles utilising a unique 'dry powder application' technology which imparts a natural 'stone' feel with undulated surfaces embellished using a special glaze.

Asset-light

NITCO shuffled its operating model to a joint-venture led approach. The Company invested in brown field expansion at Gujarat-based facilities and saved on similar capex costs that would be required for green field projects, strengthening long-term profitability and moderating capital costs.

Multi-segment

Although a major segment of the Company's business comprises floor tiles, NITCO also has interests in marble and digital wall tiles, enabling it to offer complete flooring solutions. The Company is also engaged in manufacturing of Mosaico. Besides, the Company is also engaged in real estate development.

Customer-focused

NITCO's products are sold across both retail and institutional channels, enabling it to enhance its customer base and drive both volumes and margins.

Key corporate strengths

Over 5000 retail outlets mark NITCO's presence in the country. The Company possesses over 1200 direct dealers, backed by 17 depots powering the distribution network. It also operates 13 exclusive showrooms, Le Studio pan-India, for displaying its exquisite range of tiles, mosaico and marble. The Company also has around 67 showrooms operating as franchisees under Le Studio Express (LSE) and 93 franchisees under Nitco Look. Apart from this, NITCO has introduced Shop-in-Shop concept for GVT and Wall Tiles category in the name of GVT Gallore and Wall – Couture.

Technology

NITCO deploys world-class manufacturing technology with fully-automated production lines enabling the delivery of globally-benchmarked products. Stringent quality standards are also maintained at the marble division with the Breton equipment at Silvassa remaining the only one of its kind in India.

International expertise

NITCO leverages Italian know-how to gain an edge over peers. Superior marble is sourced from select quarries in Italy and other locations globally and thereafter cut and smoothened with finesse, enabling the supply of international standard products.

Innovative design

NITCO introduced rectangular wooden strips for the first time in India, reconciling wood textures and colours. The Company also introduced super gloss scratch-proof floor tiles (resistant to dirt and bacteria). Moreover, the Company's 100% matte finish tiles possess anti-skid properties, widening their scope of applicability. NITCO has also ventured into digital tiles, providing attractive and eye-catching designs.

Product Launches

“Our new-age collection of tiles is perfect for those who love to experiment with a variety of looks for their home and office. Packed with a combination of high gloss, wood, éclat and satin finish the **Ceramic floor tiles** are fashioned with a unique dazzle to delight each time you step into your home. **The Ceramic wall tiles** sport an exceptional matt, satin and glossy finish radiating an edginess that is guaranteed to last a lifetime.”

This avant-garde collection comprises of three very distinct and innovative tiles inspired from various elements of nature, history and art dedicated to artisans.

The Skiffer series captures the power of surfaces, patterns, colours and textures formed by winds, landslides and volcanic rocks. Curated for the first time ever in dimensions of **298x1200 mm and 196x1200 mm**, its mixed size layout for wall and floor makes for a stunning look poised to transform your space dynamically.

Blending style and sophistication into a flawless combination **The Civitas series** is a retina imaging of the Jerash stones, an old civilization of Greeks in Jordan. Breaking away from the monotony with its **600x1200 mm** dimension, this striking creation is a river stone tile designed with large variations to give your space an earthy feel.

Inspired by the combination of wood and stone, NITCO's **Wood collection** defines modern living that is closer to nature, a future trend to look out for in India. The **196x1200 mm** dimension tiles are complete with wood finish. With the introduction of Acasia wood finish this collection brings a calming and soothing effect of being closer to the sea.

Apart from this, the Designer Collection has recreated **Industrial look** with its exquisite metal craft design inspired from the art deco patterns. Accompanying this brigade is the **Artistic collection** inspired by artisans and patterns made from Zardosi, Persian art and Dye painting, an amalgamation of technology and sophistication that reflects an affluent and aristocratic lifestyle.

Review of operation

The Company's business model until FY 2011-12, was predominantly based on outsourcing of tiles from China. Due to sharp depreciation of Indian Rupee against US Dollar during later part of 2011, this model based on imports suddenly became unviable. The Company thereafter took steps to shift the business model to local outsourcing/joint venture arrangement. This sudden change in the model has taken a toll on the financial performance of the Company during the last few years.

Despite several challenges faced by the Company including demonetization, the Company was able to achieve Income from Operations of ₹ 722.80 crore, a decrease of 11.13% over last year. Despite drop in turnover, the Company achieved EBITDA of ₹ 8.24 crore in FY 2016-17 against an EBITDA loss of ₹ 3.74 crore in FY 2015-16. This was made possible due to tight control on costs and the strong brand equity enjoyed by the Company, at a consolidated level, the Company has achieved EBITDA of ₹ 25.03 crore in FY 2016-17 against an EBITDA of ₹ 20.02 crore in FY 2015-16. The management is confident that the strategy now being pursued by the Company is appropriate for achieving the desired result.

Considering the brand equity enjoyed by the Company and the performance of the Company during the current year in a tough environment, and several steps taken for improving the performance of the Company, the management is hopeful of a turnaround in near future. The management therefore believes, it is appropriate to prepare the financial statement on a going concern basis.

Joint Venture with New Vardhman Vittrified Pvt. Ltd.

As a part of the business strategy, your Company had acquired 51% equity stake in New Vardhman Vittrified Pvt. Ltd (NVVPL) during FY 2011-12. The said company had set up a plant near Morbi, Gujarat for manufacturing 8 million sqmtrs (approximately) of vitrified and wall tiles which commenced production at the last quarter of FY 2012-13. The entire production of this plant is marketed by the Company under its brand name. With this arrangement, Company's dependence on China for tiles sourcing has significantly reduced. NVVPL, in its fourth full year of operation, has achieved Income from Operations of ₹ 151.00 crore, EBITDA of ₹ 17.78 crore and Profit Before Tax of ₹ 0.80 crore. The Company is regular in servicing its commitment to its lenders and has repaid term loan installments of ₹ 47 crore since commencement of its operations.

Corporate Debt Restructuring

The Company's debts were restructured under Corporate Debt Restructuring (CDR) mechanism effective April 2012. The CDR package included fresh funding commitment by Banks which was not released by them. As per the approved CDR package, certain non-core assets of the Company were to be disposed of which could not materialize due to adverse market conditions. Consequently the Company defaulted on its obligation to its lenders and all CDR lenders have classified the Company's debts as Non Performing Asset (NPA). Consequently, due to failure of the package, the Company has exited from CDR mechanism. Fifteen lenders aggregating approximately 89% of total debt of the Company have assigned their debts to an Asset Reconstruction Company (ARC) as on March 31, 2017.

Credit Rating

The last Credit Rating issued to the Company by CARE Limited was on October 1, 2012. However, the credit rating is under suspension at present as the Company was under Corporate Debt Restructuring.

Indian Accounting Standards (IND AS)

Pursuant to the notification, issued by The Ministry of Corporate Affairs dated February 16, 2015 relating to the Companies (Indian Accounting Standard) Rules, 2015, the Company and its subsidiaries will adopt “IND AS” with effect from April 1, 2017, with the comparatives for the periods ending March 31, 2017. The Company is taking steps for timely implementation of IND AS.

Dividend

In view of the losses incurred during the year, your Board is not able to recommend any dividend for the financial year ended March 31, 2017.

Material Changes

No material changes or commitments have occurred between the end of the financial year and the date of this report which affect the financial statements of the Company in respect of the reporting year.

Subsidiary Companies and Consolidated Financial Statements

In accordance with the Companies Act 2013, and Accounting Standard (AS-21) on Consolidated Financial Statement, the audited consolidated financial statement is provided in the Annual Report.

The Statement required under Section 129(3) of the Companies Act, 2013 in respect of the subsidiary companies is provided in Annexure II of this report.

The annual accounts of the subsidiary companies and the related detailed information will be made available to any member of the Company / its subsidiaries who may be interested in obtaining the same. The annual accounts of the subsidiary companies will also be kept for inspection by any member at the Company's Registered Office and that of the respective subsidiary companies.

MANAGEMENT DISCUSSION & ANALYSIS

MANAGEMENT DISCUSSION & ANALYSIS

Global economy

Global ceramic tiles market size is positively influenced by increasing construction expenditure across the globe. Construction sector is witnessing escalating growth particularly in the Asia Pacific countries including China, India and Japan. In 2015, Ceramic tiles are a few of the important materials that are consumed in bulk by their single largest end-user i.e. the construction industry. Hence, positive growth outlook for the construction market in Asia Pacific is estimated to propel the ceramic tiles market in the next few years. Other Key factors driving product demand in Asia Pacific include rise in disposable income of consumers, dense population, increase in government initiatives for infrastructure development and collaboration with foreign investors.

The Floor ceramic tiles segment is estimated to expand at the fastest CAGR in the near future owing to upcoming construction activities across the globe. Superior ceramic floor tiles properties such as high durability and good thermal & shock resistance compared to hardwood will have a positive impact on the industry growth over the forecast timeframe. Furthermore, installation and replacement ease are some of the other properties due to which they are extensively used.

Ceramic wall tiles are projected to witness gains more than 9.5% CAGR by 2024. These are available in several colours and are resistant to sunlight, which helps the tiles to retain their colour without fading for a long period of time and makes them preferred to find application in walls. In addition, they are widely preferred in kitchens, as these are easy to clean and make the kitchen more attractive. Increasing awareness about covering the walls with tiles is likely to boost ceramic tiles market size.

Global ceramic tiles industry is forecast to be fueled by the rising demand for these tiles, especially in the construction industry in Asia Pacific. Product demand is likely to be the largest in the region during the forecast timeframe, owing to the various socio-economic factors such as increasing population, government initiatives for infrastructure & housing development and foreign investments.

High wearing resistance, low maintenance, better moisture resistance and good esthetics are some of the product attributes which makes them desirable to find application in construction. However, stringent environmental regulations and increasing raw materials prices may hamper ceramic tiles market size by 2024.

Indian economy

India's economic growth slowed for the fourth consecutive quarter in the three months ended March 2017, mirroring the impact of demonetisation on key sectors including construction and financial services. Gross Domestic Product (GDP) growth slowed to 6.1% in the fiscal fourth quarter from 7% in the third, according to data released by Central Statistics Office (CSO).

Economic growth has recovered since 2014 and India has become the fastest-growing G20 economy, with annual growth rates around 7.5%. Private consumption in urban areas has been buoyed by prospects of higher public wages and pensions while government investment and consumption remained strong.

The return to a normal monsoon in 2016, after two consecutive years of bad weather, is supporting a recovery in agricultural income and rural consumption. The demonetisation has impacted consumption and other macroeconomic parameters, at least temporarily. Despite sustained public investment, total investment declined in real terms in the first half of 2016. Exports fell in the second half of 2014 and 2015 as external demand was weak and the real effective exchange rate appreciated.

Indian ceramic tiles industry

The ceramic tile industry, which has recorded phenomenal growth through value-added products and geographical reach, has the potential to maintain its momentum in the medium term. Despite slowdown in the real estate sector and adverse macroeconomic environment, low per capita consumption of tiles in the country, rapid urbanisation, increasing disposable income of nuclear families, untapped rural market and stable replacement demand is envisaged to augur well for the sector. The number of ambitious programmes launched in the last two years by the Centre, like Smart Cities Mission, Swachh Bharat Abhiyaan (Sanitation for All by 2019), Atal Mission for Rejuvenation and Urban Transformation (AMRUT) and Housing for All by 2022 would act as big push in demand for the ceramic industry in years to come.

The government's decision in March 2016 to impose anti-dumping duty of USD 1.37 per square metre (SQM) on all vitrified tiles imported from China is also provided level playing field to the domestic players, especially in South India.

The implementation of Goods and Service Tax (GST) will also be a welcome change for the ceramic tile industry. GST will create a seamless national market for the organised players, resulting in removal of inter-state barriers and improvement in supply chain. GST will also bring the unorganised segment on a similar platform and reduce the price difference between them and the organised segment.

India has one of the fastest growing ceramic tiles markets in the world. India lags behind Brazil, China and Vietnam which have per capita consumption. This exhibits an exponential growth potential for the industry.

Outlook

Today, tiles play a major role in defining the look of interior and exterior spaces in India. Customers are shifting to digitally printed tiles which look similar to marble and real wood, due to their aesthetic appeal and comparatively lower price.

In terms of design, Monochrome single phase designs are outdated, Random design phase patterns are in vogue. Designs inspired from earthy elements like stone, slate, marble, nature etc. are in trend. Large format tiles of 600x600 mm, 800x800 mm and 600x1200 mm sizes are especially popular among buyers.

Currently, the most notable trends in floor design revolve around large formats, organic textures and looks that combine rusticity and refinement.

Thanks to the technological innovations today, Ceramic & GVT tiles are available in various colours, textures and finishes. The range in

the market goes from designer or artistic ones, to hand-painted varieties, ones that look like marble and granite.

As far as designer variants are concerned, today, high definition digital printing technology is a breakthrough in the Indian tile market. Digital printing ensures high-resolution, multilayer printing as fine as nanometer grade on flat as well as curved or textured surfaces. The technology also ensures uniform, edge-to-edge printing thus creating a seamless look and can be used for both vitrified and ceramic-based tiles with our brands.

Packed with a combination of high gloss, wood, éclat and satin finish, today, Ceramic & Vitrified floor tiles are fashioned with a unique dazzle to delight each time you step into your home while the Vitrified wall tiles sport an exceptional matt, satin and glossy finish radiating an edginess that is guaranteed to last a lifetime.

Business segment review - Tiles

Overview

This segment consists of three products – ceramic floor and wall tiles, vitrified tiles and GVT tiles. The Company's annual tiles production capacity stood at 16 million sq. m as on March 31, 2017.

Key highlights, 2016-17

- I Launched 160 SKU's across Ceramic, Wall Tiles & GVT Category.
- II The NITCO Designer Collection is calming yet invigorating, restrained yet expressive, inspired by Nature and civilizations bringing together contrasting elements to create a harmonious feel.
- III Presenting the Skiffer series, the Civitas series & the Wood collection.
- IV A formidable collection with a combination of beauty and durability.
- V Brings together style, resilience and fine finishes into an exquisite product.

Outlook

The division expects to expand its product basket through the launch of new, fast-moving products. It also intends to climb the realisations ladder by focusing on higher sales of value-added tiles.

Business segment review – Marble

Overview

In the month of September, 2016 the Indian Government announced a new policy for the import of marble blocks which has far reaching consequences for the development of the marble industry in India. The new liberalised policy, while still maintaining high import duties, at last made it easy for anyone setting up a factory to import marble blocks. Previously, even to import the blocks of marble there had been so many restrictions and conditions that only a select few were able to navigate their way through the bureaucratic maze and obtain license for importing marble. By bringing the import policy under an Open General License (OGL) category, a long standing demand from many stone companies wishing to set up new factories was finally fulfilled.

Being the fastest growing major economy in the world with a vast population and still a long way to go in development, the potential for growth of this industry in India is obvious. The high import duties means that any finished imported marble will end up being in the premium segment of the market. According to expert estimates the total market for marble in India is around 35 million tons per year and out of this imported marble accounts currently accounts for only 0.8 million tons. Under the new policies the market for imported blocks could reach 2 million tons during the next 5 years according to some estimates assuming that 15 to 20% of the market for marble is in the premium segment.

Ivory and beige colours still tend to be the most popular. Whites are also in fashion in keeping with global trends. Imported marble will probably also substitute granite in some way in the local market, especially in the south of the country.

One possible consequence of the new import policy, may well be the disappearance or reduction in purchasing of marble blocks by some companies who previously used to thrive in the controlled business environment where competition was restricted.

Key highlights, 2016-17

Eventful year for the business. End of the license era . Increased Import duty. Demonitization and Sluggish Demand, Increased capacity, New Players entering the market .

At Nitco New Display area added in Silvasa plant and also a showroom . Total Warehouse space added 8000 sqmtrs. Showroom area 200 sqmtrs .

Business focus shifted to High Contribution products and retail sales . Improvement in Profit. Marketing efforts directed towards the same. Improved offering and addition of various finish in the product range .

25 New Products added in the year and some old dropped .

Outlook

With the opening of the licence the overall business will grow. We can have better capacity utilisation as the material can be freely imported . Competition will be more intense however there may be a slow down with the general demand being on a lower side and with the new propositions of GST and RERA . We shall wait and watch.

Business segment review - Real estate development

Overview

With the new Government at the centre, we have been witnessing series of radical and transformational reforms – Demonetisation, Real Estate Regulator Bill (RERA), FDI relaxations, GST, Benami Transactions (Prohibition) Amendment Act, Change in Accounting standards IFRS – all coming in a row and in quick succession. Obviously, the year 2017 will see the Indian real estate sector to be still more transparent, credible and attractive with only organised players on the ground. With home ownership always being a priority ambition and investment objective for all Indians, these reforms will have very positive implications for the home buyers as well as residential real estate sector.

India is ranked fourth in developing Asia for FDI inflows as per the World Investment Report 2016 by the United Nations Conference for Trade and Development. That is endorsement at the highest levels – and real estate saw equity investment on a very visible return journey to India last year. Indian real estate has attracted

NITCO LIMITED

\$32 billion in private equity so far. The global capital flow into Indian real estate in 2016 stood at \$5.7 billion. India's Tier-I cities moved up to the 36th rank in JLL's 2016 bi-annual Global Real Estate Transparency Index. The catalysing factors for this were improvements in structural reforms and the more liberalised Foreign Direct Investment (FDI) regime. Increased transparency brings higher investments into such real estate markets.

Throughout 2016, the number of new residential project launches was lower than units sold. With all states staring at the approaching deadline to implement their versions of the Real Estate Regulation & Development Act (RERA), most of them will definitely fall in line. This landmark law will enforce hitherto unprecedented transparency and accountability requirements for developers into the system, and do a lot to increase consumer confidence. Consumer activism, which has already been making news in recent times, will increase in distressed ongoing projects.

Currently, the residential property market is dominated by end-users - speculative investors are making a beeline out of real estate as an investment category. Residential demand is expected to pick up only towards the end of 2017 - but the recovery will be sustainable and based on much sounder market fundamentals than transient sentiment.

Key highlights, 2016-17

Due to depressed market condition, no real estate sale could materialize during the financial year.

Information and technology

Overview

At NITCO, embracing the latest technology provides us an edge over competitors, enhances productivity, helps expand business operations and facilitates in on-boarding newer customers.

Key highlights of FY 2016-17

- I Implemented the SAP compliance pre-requisites for successful migration to GST readiness. This implementation, which was executed in various phases, helped to achieve the necessary tax procedure compliance and SAP patch upgradation of the SAP system.
- II Successfully implemented new ERP solution for Marble business, which offered complete coverage of all business processes and MIS and readiness to GST migration.
- III Successfully extended the Mobile App 'TURBO' for the Business Development team, which offered automation of the regular business development activities and online tracking of the team's performance and helped to improve productivity & effectiveness of the team through systematic process of Monthly Journey Planning and Daily Call Reporting.
- IV Successfully managed the business requirements and process enhancements with the help of SAP customization and process automation using various software systems.
- V Reduced the IT operations maintenance cost through cost optimization solutions and process controls.

Human capital

Overview

As on March 31, 2017, NITCO had 1066 employees on its payroll. With employees spread across regions and factories at Alibaug, Silvassa and Morbi. NITCO continues to stay well connected with its employees and enjoys cordial employee / industrial relations across all manufacturing units and regional sales offices.

Key highlights, 2016-17

- I Additional manpower was recruited in sales and sales support functions in line with the business need of expanding our reach to customers/influencers.
- II Manpower deployment across critical functions was reviewed with the objective to enhance employee productivity.
- III The second phase of the sales training initiative called "SPARK" was organized in April & May 2016 for our frontline sales force PAN India in order to reinforce the importance of product knowledge and upskill our sales force.
- IV A new initiative to connect with our regional teams PAN India was initiated by Corporate HR to provide employees a platform to raise their concerns and resolve issues which are within the company's policy framework.
- V In house functional and Product knowledge trainings were organized at regular intervals at the Alibaug and Silvassa plants in order to sharpen existing skill levels of employees for optimizing production.
- VI Regular factory visits and Inductions were organized for all new joiners to smoothen their transition into the NITCO family.
- VII Hiring of trainees from reputed institutes with Masters in Management continued as part of NITCO's Young Leaders Development Program.
- VIII Employee engagement activities through sports tournaments, Quizzes, festival celebrations and CSR activities continued to be undertaken under the aegis of Nitcotine.
- IX Communication through our quarterly e-magazine - "Xpressions" continued this year too giving updates about all the recent events in the company and connecting with colleagues across the country.
- X NITCO successfully completed its external surveillance audit by TUV Nord in July 2016 for IMS (ISO 9001, 14001 and OHSAS 18001) thereby setting a higher benchmark to advance our systems and processes for the coming year.

Financial review

Due to challenging environment, NITCO's Income from Operations declined by 11.13% from ₹ 813.34 crore in 2015-16 to ₹ 722.80 crore in 2016-17.

Due to sluggish economic scenario in India and depressed Real Estate market, the company could not get the desirable price for its Real Estate assets and hence the sale has been deferred.

EBITDA	824.27	1.14%	(373.84)	(0.46%)

- Material Cost as a percentage to Total Revenue has decreased by 1.84% points as compared to FY 2015-16
- Employee Benefit Expense has increased by 5.98% in FY 2016-17 and due to drop in sales, the percentage to Total Revenue has increased by 1.70% points.
- Other Manufacturing expense has reduced substantially in FY 2016-17 by 23.38% as compared to FY 2015-16.
- Selling & Distribution expense have reduced in FY 2016-17 as the Company has shifted to making direct sales from its factory wherein the freight cost is directly borne by the dealer.
- Administration Expense has reduced due to various cost cutting measures undertaken by the Company; the percentage to Total Revenue has increased in FY 2016-17 as the Sales have reduced.

Managing risks at NITCO

At NITCO, risk management is a continuous process of identifying, assessing and evaluating risks and taking proactive measures to minimise or eradicate potential losses arising due to an exposure to particular risks. The consistent implementation of this framework is monitored through audits and reviews, resulting in an accurate understanding of the Company's competitive position. In doing so, the Company takes decisions that balance risks and rewards.

Business slowdown risk

Indian economy could create a widening chasm between budgeted and actual ground realities.

Mitigation

The Company has emerged as a one-stop shop for tile solutions,

providing floor as well as wall tiles and marble. Metros and urban cities are majorly hit by an economic deceleration while in recent times a majority of the demand for consumer products is emerging from Tier-II and Tier-III locations, which usually remains largely unaffected by economic slowdowns. Thus, as a precautionary measure, the Company strengthened its distribution network in new demand pockets.

Foreign Exchange Risk

A weaker Indian currency is a threat to importers.

Mitigation

The Company has shifted its dependence from Chinese imports to indigenous sourcing. A very small portion of the Company's turnover is still accounted by imports from China as per the requirement of its clients. The Company covers its foreign exchange exposure; selling the products at margin-plus-actual landed cost basis. The Company generally finalises the price negotiation of products with client before actual imports take place.

Fuel cost risk

Rising gas prices could impact profitability.

Mitigation

Continuously rising gas prices is completely beyond the Company's control. However towards minimizing this impact and offsetting the cost increases, the Company has made arrangements for using Coal gas at its Alibaug Plant.

Competition risk

Increasing competition can have an impact on margins.

Mitigation

Competition from the unorganised sector is expected to decline with rising consolidation, effected by organised players partnering with unbranded players (with low-cost manufacturing expertise) as a part of their cost-efficient expansion strategy. NITCO possesses such a joint venture with New Vardhman Vittrified Private Limited, with a 51% stake. Introduction of GST will improve the competitive position of the organized players.

Technology or software obsolescence risk

Technology or software obsolescence may result in compromise of quality standards and losing out on the competitive advantage.

Mitigation

The Company invested in SAP ERP module, scaling up its IT infrastructure across its sales, distribution and manufacturing divisions. Design technology will further be enhanced to further strengthen NITCO's aspirational brand position in the minds of the architect, builder, dealer and community at large. The tangible digital technology and 6 colour prism technology are the new and updated technologies used in the present year.

Client attrition risk

A substantial portion of the Company's total sales comes from retail clients. Hence, client attrition can impact both revenues and prospective growth.

Mitigation

Providing post-sale services to retail customers and offering guidance programs for institutional customers have been an integral part of Company's initiatives to reinforce relationships.

Annual Report 2016–2017

The Company also customises products to cater to specific requirements. Some of its brand-enhancing customers include Reliance Retail, Prestige, Rahejas, Godrej, Oberoi Construction, DLF, L&T, Mantri Group, Lodha Group, KKR, B G Shirke etc among others.

Human resource risk

Attrition of key executives and personnel could affect the Company's growth prospects.

Mitigation

NITCO has initiated various measures such as deploying strategic talent management system, training and integration of learning

activities. Various HR initiatives were initiated to encourage staff towards enhancing productivity and building the spirit of team work.

Dealer attrition risk

Dealers represent the Company's face to customers. Reduction in the number of dealers could affect sales and negate brand image.

Mitigation

The Company has introduced a fast-moving range of tiles, which has revitalised its distribution network.

FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF NITCO LIMITED

Report on the Standalone Financial Statement

1. We have audited the accompanying standalone financial statements of NITCO Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Qualified Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, **except** for the matters illustrated and described in the **Basis for Qualified Opinion** herein below, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i. in the case of the balance sheet, of the state of affairs of the Company as at March 31, 2017;
 - ii. in the case of the statement of profit and loss, of the Loss for the year ended on that date; and
 - iii. in the case of the cash flow statement, of the cash flows for the year ended on that date.

Basis for Qualified Opinion

9. **The Company has not provided for interest on financing facilities amount to ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) for the year ended March 31, 2017. Had the same been provided, the loss for the year ended March 31, 2017 would have increased by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) and corresponding bank liabilities would have increased by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) as at March 31, 2017 and net worth of the Company would have been lower by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs)**

Emphasis of Matter

10. a) Financial Statements has been prepared on a going concern basis. The Company has incurred a net loss of ₹ 3,232.36 Lacs (previous year ₹ 6,276.64 Lacs) during the year ended March 31, 2017 and the Company's net worth has been fully eroded as

at the balance sheet date. The appropriateness of the going concern basis is inter alia dependent on the Company's ability to turnaround the operations of the Company and ability of infusing requisite funds for meeting its obligations and rescheduling of debts.

- b) Note no. 38 to the financial statements relating to status of Corporate Debt Restructuring (CDR).
- c) The dues to banks / lenders are subject to reconciliation.

Report on other Legal and Regulatory Requirements

11. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (hereinafter referred to as the "Order") and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
12. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements except for non provision of interest (refer point 9 above) comply with the Accounting Standards specified under Section 133 of the Act.;
 - e) On the basis of the written representations received from the directors as on March 31, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164 (2) of the Act.;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure B;
 - g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations as at March 31, 2017 on its financial position in its standalone statements – Refer Note 37.
 - (ii) The Company has made provisions as at March 31, 2017 as required under the applicable law or accounting standards, for foreseeable losses, if any, on long-term contracts including derivative contracts.
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2017.
 - (iv) The Company has provided requisite disclosures in the standalone financial statements as to holding as well as dealings in Specified Bank Notes during period from November 8, 2016 to December 30, 2016 as on basis of the information available with the Company. Based on the audit procedures performed and relying on management's representation, we report that disclosures are in accordance with the books of accounts maintained by the Company and as produced to us by the management. – Refer Note 36.

Annexure A to Independent Auditors' Report

Referred to in Paragraph 11 of the Independent Auditors' Report of even date to the members of NITCO Limited on the standalone financial statements as of and for the year ended March 31, 2017.

- i.
 - (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
 - (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
 - (c) In our opinion and according to the information and explanation, given to us and on the basis of an examination of records of the Company, the title deeds of immovable properties are held in the name of the Company except for one immoveable property which amounts to gross block of ₹ 145.66 Lacs and net block of ₹ 136.63 Lacs whose title deed is not held in the name of the Company.
- ii. The inventory (excluding stock with third parties) has been verified during the year by the Management. In respect with the inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- iii. According to the information and explanation given to us, the Company has not granted any loan to Companies, firms or other parties covered under section 189 of the Companies Act 2013 except interest free loans and advances to its subsidiaries company. The maximum amount outstanding at any time during the year is ₹ 17,175.98 Lacs and the balance as on the Balance Sheet date is also the same.
 - (a) In our opinion since the advance has given to its subsidiaries, it is not prejudicial to the interest of the Company.
 - (b) There is no repayment schedule and loans and advances are repayable on demand.
 - (c) In respect of the loans granted by the Company, the same are repayable on demand and therefore the question of overdue amount does not arise.
- iv. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and 186.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and accords have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii.
 - (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of Income Tax and Service Tax, and is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, sales tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, sales tax, service tax, duty of customs and duty of excise, valued added tax as at March 31, 2017 which have not been deposited on account of a dispute, are as follows:

Annexure B to Independent Auditors' Report

Referred to in paragraph 12(f) of the Independent Auditors' Report of even date to the members of NITCO Limited on the standalone financial statements for the year ended March 31, 2017.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of NITCO Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by The ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :
 - (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annual Report 2016–2017

Financial Statements

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NITCO LIMITED

I. SIGNIFICANT ACCOUNTING POLICIES

Company Information

NITCO Limited (the 'company') is a public limited company domiciled in India and is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The company is one of the leading player in the tiles and marble business. The company has manufacturing facilities in Maharashtra and Silvassa and sells primarily in India through independent distributors and modern trade.

A. Basis of Preparation of Financial Statements

- i. The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the 2013 Act") and the relevant provisions of the 2013 Act, as applicable. The financial statements of the Company are prepared under the historical cost convention using the accrual method of accounting. The accounting policies adopted in the preparation of financial statements are consistent with those of the previous year. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the 2013 Act.
- ii. With erosion of its net worth, the Company was registered as a sick Company under section 15(1) of the Sick Industrial Companies (Special Provisions) Act, 1985 before the Hon'ble Board for Industrial & Financial Reconstruction. Despite several constraints faced by the Company including absence of working capital facilities and delayed sale of non core assets during FY 2017, the Company achieved positive EBITDA of ₹ 8.24 crore during the year for the first time during last four years. Considering the brand equity enjoyed by the Company, non-core assets identified for sale, and several steps taken by the Company, the management is hopeful of a turnaround in the future. The management therefore believes, it is appropriate to prepare the financial statements on going concern basis.
- iii. The Company follows mercantile system of accounting and recognises significant items of income and expenditure on accrual basis except for non provision of interest as described in note no. 38.

B. Expenditure

Expenses are accounted on accrual basis.

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility and other criteria as set out in paragraph 44 of AS 26 – 'Intangible Assets' have been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis for creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Assets.

C. Use of Estimate

The preparation of financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

D. Revenue Recognition

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Sales are recognised net of trade discounts, rebates, and sales taxes (on goods manufactured and outsourced).

Income from export incentives such as duty drawback and premium on sale of import licences, and lease license fee are recognised on accrual basis.

Income from Property Development Activity is recognised in terms of arrangements with developers, wherever applicable.

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed using the proportionate completion method when no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service and is recognised net of service tax, as applicable.

Interest on investments is recognised on a time proportion basis taking into account the amounts invested and the rate of interest.

Dividend income on investments is recognised when the right to receive dividend is established.

E. Fixed Assets and Capital Work in Progress

Fixed Assets are stated at the cost of acquisition less accumulated depreciation and impairment losses, if any. All identifiable costs incurred up to the asset put to its intended use are capitalized. Costs include purchase price (including non-refundable taxes/duties) and borrowing costs for the assets that necessarily take a substantial period of time to get ready for its intended use. Costs are adjusted for grants available to the company which are recognized based on reasonable assurance that the company will comply with the conditions attached to the grant and it is reasonably certain that the ultimate collection of grants will be made.

Intangible Assets are stated at the cost of acquisitions less accumulated amortization. In case of an internally generated assets cost includes all directly allocable expenditures. Intangible assets exclude the operating software, which forms an integral part of the hardware.

Capital Work In Progress include cost of fixed assets that are not yet ready for their intended use as at the balance sheet date.

F. Depreciation

The Company has revised its policy of providing depreciation on fixed assets effective April 1, 2014. Depreciation is now provided on straight line basis on economic useful lives of the assets. Further the remaining useful life has also been revised whenever appropriate based on the evaluation. The aggregate depreciation is provided as per the requirement of Part C of Schedule II to Companies Act 2013. Assets costing upto ₹ 5,000/- are fully depreciated in the year of purchase.

The useful lives of the major assets from the year of capitalisation of the assets/ rates of depreciation are estimated as follows:

Class of assets	Basis	Useful life/ rate of depreciation
Buildings other than factory building	SLM	60 years
Factory building	SLM	30 years
Plant and machineries	SLM	15 - 25 years
Office equipments	SLM	5 years
Office equipments –mobile	SLM	2 years
Computers and related assets	SLM	3 - 6 years
Electrical installations	SLM	10 years
Furniture and fixtures	SLM	10 years
Motor vehicles	SLM	4 years
Windmills	SLM	22 years
Computer software	SLM	5 years
Boat	SLM	13 years

G. Expenditure during construction period

In case of new projects and substantial expansion of existing factories, expenditure incurred, including trial production expenses and attributable interest and financing costs, prior to commencement of commercial production are capitalized.

H. Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date to ascertain if there is any indication of impairment based on internal / external factors. An impairment loss will be recognized wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value using the weighted average cost of capital. Previously recognized impairment loss is further provided or reversed depending on change in circumstances.

I. Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a weighted average basis. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale. Finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition.

Inventories are valued on the following basis:

- Stores and Spares - at moving weighted average basis.
- Raw Materials - at moving weighted average basis.
- Work-in-Process - at estimated cost.
- Finished Goods - at lower of cost or estimated realisable value.
- Stock in trade - at moving weighted average basis or estimated realisable value.
- Material in Transit - at cost.

J. Foreign currency transactions

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Profit and Loss.

Forward exchange contracts outstanding as at the year end on account of firm commitment transactions are marked to market and the losses, if any are recognised in the Statement of Profit and Loss, and gains are ignored in accordance with the announcement of the Institute of Chartered Accountants of India on 'Accounting for Derivatives' issued in March 2008.

NITCO LIMITED

K. Employee Benefits

- i. Short-term employee benefits are recognised as an expense at the undiscounted amount in the Profit and Loss account of the year in which the related service is rendered.
- ii. Post employment and other long term employee benefits are recognised as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss account.

L. Provision for Current and Deferred Tax

Tax expense for the year comprises current tax and deferred tax.

Current tax is measured at the amount expected to be paid to or recovered from the taxation authorities using the applicable tax rates and tax laws.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. The carrying amount of deferred tax assets is reviewed at each balance sheet date for any write down or reversal, as considered appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

M. Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date and are not discounted to its present value. These are reviewed at each year end date and adjusted to reflect the best current estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

N. Financial Derivatives and Hedging Transactions

In respect of Derivatives Contracts, premium paid provision for losses on restatement and gains / losses on settlement are recognised in Statement of Profit and Loss.

O. Finance Costs

- i. Finance costs, less any income on the temporary investment out of those borrowings that are directly attributable to acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as a part of the cost of that asset.
- ii. Other borrowing costs are recognized as expense in the period in which they are incurred.

P. Leases

Assets taken on lease under which the lessor effectively retains all the risks and rewards of ownership are classified as operating lease. Operating lease payments are recognized as expense in Statement of Profit and Loss on a straight-line basis over the lease term. Assets acquired under leases where all the risks and rewards of ownership are substantially transferred to the company are classified as Finance leases. Such leases are capitalized at the inception of the lease at the lower of fair value or the present value of minimum lease payments and liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

Q. Investments

Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline, other than temporary. Current investments are stated at cost or fair value whichever is lower. Cost is determined on a weighted average basis.

R. Customs & Excise Duty/Service Tax and Sales Tax/Value Added Tax

Customs & Excise Duty/Service Tax have been accounted on the basis of both payments made in respect of goods cleared and also provision made for goods lying in bonded warehouses. Sales Tax/Value Added Tax paid is charged to profit and Loss account.

S. Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under “unallocated revenue / expenses / assets / liabilities”.

T. Earnings Per Share

In determining the earnings per share, the Company considers the net profit/loss after tax and post tax effect of any extraordinary/ exceptional item is shown separately. The number of shares considered in computing basic earnings per share is the weighted average number of shares outstanding during the year. The number of shares considered for computing diluted earnings per share comprises the weighted average number of shares used for deriving the basic earnings per share and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares as may be applicable. The number of shares and potentially dilutive equity shares are adjusted for any stock splits and bonus shares issues.

U. Balances of sundry debtors, sundry creditors, loans and advances, deposits are subject to confirmation and reconciliation. Accounts receivables are net of advances.**II. NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017****1. Share Capital**

34. As per Accounting Standard 15 “Employee benefits”, the disclosures as defined in the Accounting Standard are given below

The company has defined benefit Gratuity plan. Gratuity (being administered by a Trust) is computed as 15 days salary, for every computed year of service or part thereof in excess of six months and is payable on retirement/termination/resignation. The benefit vests on the employee completing five year of service. The Gratuity plan for the company is a defined benefit scheme where annual contributions are deposited to Gratuity Trust Fund established to provide gratuity benefits. The Trust Fund has taken a scheme of insurance, whereby these contributions are transferred to the insurers. The company makes provision of such Gratuity asset/liability in the books of accounts on the basis of actuarial valuation as per the projected unit credit method. Plan assets also include investments and bank balances used to deposit premium to the insurance company.

(c) Penalty levied by DGFT

The Additional Director General Foreign Trade (ADGFT) had levied penalty of ₹170 crore for irregular/non fulfillment of export obligation and the same has been confirmed by the Appellate Bench of DGFT, New Delhi. The Company has been advised that the order is bad in law and accordingly will agitate the matter before the appropriate forum. No provision has been made in the Accounts for the same.

38. Corporate Debt Restructuring

The Company's business model until FY12, was largely dependent on imported tiles outsourced from China. The company suffered losses on account of sudden sharp depreciation of Rupee towards later part of calendar year 2011 which had high impact on the landed cost of tiles, adversely affecting the financial performance of the Company and its cash flow. Consequently the Company made a reference to Corporate Debt Restructuring (CDR) Cell in May 2012 for comprehensive restructuring of its loan liabilities and accordingly CDR cell sanctioned a scheme of restructuring vide Letter of Approval (LOA) dated December 26, 2012, and the lenders executed Master Restructuring Agreement (MRA) on March 06, 2013. The said package sanctioned Funded Interest Term Loan (FITL) for 18 months from the Cut Off date and moratorium for principal repayment for 24 months. The working capital lenders were to provide additional working capital of ₹ 30 crore fund based and ₹ 147 crore non fund based facility. The package also envisaged disposal of non core assets of ₹ 555 crore until March 2016.

However due to adverse market conditions, the non core assets could not be disposed of and the working capital lenders failed to release additional working capital facilities as per the approved CDR package. Consequently the Company defaulted on its obligation to its lenders and all CDR lenders have classified the Company's debts as Non Performing Asset (NPA). Consequently, due to failure of the package, the Company has exited from CDR mechanism in March 2015.

Fifteen Lenders aggregating approximately 89% of overall CDR debts of the Company have assigned their debts to an Asset Reconstruction Company (ARC). The Company has requested ARC for sustainable restructuring of its loan liability. Since the net worth of the Company has been fully eroded and the uncertainty involved in ultimate outflow, the Company has not provided for unpaid interest. Had the interest as per Loan Agreements been provided for, the interest for the year ended March 31, 2017 would have been higher by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs), Losses for the year ended March 31, 2017 would have been higher by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs), corresponding bank liability would have increased by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) and net worth of the Company would have been lower by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) as on March 31, 2017.

39. Previous year's figures have been regrouped / restated / reclassified / rearranged wherever necessary to make them comparable with those of the current year.

INDEPENDENT AUDITORS' REPORT

To the Members of NITCO Limited

Report on the Consolidated Financial Statement

1. We have audited the accompanying consolidated financial statements of NITCO Limited ("hereinafter referred to as the Holding Company") and its subsidiaries, (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the consolidated Balance Sheet as at March 31, 2017, the consolidated Statement of Profit and Loss, the consolidated Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Financial Statements. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
4. We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements.
5. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.
6. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 10 of the Other Matters paragraph below, other than the unaudited financial statements as certified by the management and referred to in sub-paragraph 11 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

QUALIFIED OPINION

7. In our opinion and to the best of our information and according to the explanations given to us, **except** for the matters illustrated and described in the **Basis for Qualified Opinion** herein below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2017, and their consolidated profit/loss and their consolidated cash flows for the year ended on that date.

BASIS FOR QUALIFIED OPINION

8. **The Holding Company has not provided for interest on financing facilities amount to ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) for the year ended March 31, 2017. Had the same been provided, the loss for the year ended March 31, 2017 would have increased by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) and corresponding bank liabilities would have increased by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) as at March 31, 2017 and net worth of the Company would have been lower by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs)**

EMPHASIS OF MATTER

9. Without qualifying, attention is drawn as under:

Annexure A to Independent Auditors' Report

Referred to in paragraph 11(f) of the Independent Auditors' Report of even date to the members of NITCO Limited on the consolidated financial statements for the year ended March 31, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of NITCO Limited (hereinafter referred to as "the Holding Company"), and its subsidiary companies as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding company and, its subsidiary companies, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the reports of the other auditors in respect of entities audited by them and representation received from the management for entities un-audited referred to in the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting, principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary companies, which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting, insofar as it relates to fourteen subsidiary companies which companies are incorporated in India, is based on the corresponding reports of the other auditors of such companies incorporated in India. Our opinion is not qualified in respect of this matter.

NITCO LIMITED

I. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017.

Company Overview

NITCO Limited (the Company) is a public limited company incorporated in India under the provision of the Companies Act, 1956. The Company's equity shares are listed on the Bombay Stock Exchange and National Stock Exchange. The Company is engaged in providing floor and wall solutions with a portfolio comprising a comprehensive range of tiles, marbles, mosaico and development of real estate projects.

A. Basis of Preparation of Consolidated Financial Statements

- The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the 2013 Act") and the relevant provisions of the 2013 Act, as applicable. The financial statements of the Company are prepared under the historical cost convention using the accrual method of accounting. The accounting policies adopted in the preparation of financial statements are consistent with those of the previous year. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the 2013 Act.
- With erosion of its net worth, the Company was registered as a sick Company under section 15(1) of the Sick Industrial Companies (Special Provisions) Act, 1985 before the Hon'ble Board for Industrial & Financial Reconstruction. Despite several constraints faced by the Company including absence of working capital facilities and delayed sale of non core assets, the Group managed to improve its EBITDA from ₹ 20.02 crore to ₹ 25.02 crore during the year. Considering the brand equity enjoyed by the Company, non-core assets identified for sale, and several steps taken by the Company, the management is hopeful of a turnaround in the future. The management therefore believes, it is appropriate to prepare the financial statement on going concern basis.
- The Company follows mercantile system of accounting and recognises significant items of income and expenditure on accrual basis except for non provision of interest as described in note no. 34.

B. Principles of consolidation

The Consolidated Financial Statements relate to NITCO Limited ("the Company"), and its subsidiary companies. The Company and its subsidiaries constitute the Group.

The consolidated financial statements have been prepared on the following basis:

- The financial statements of the subsidiary companies used in the consolidation are drawn upto the same reporting date as of the Company i.e. year ended March 31, 2017.
- The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra-group transactions and unrealized profits have been fully eliminated.
- The excess of cost to the Company of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the dates on which the investments in the subsidiary companies and joint ventures are made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the Company, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements.
- Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary companies and further movements in their share in the equity, subsequent to the dates of investments as stated above.

E. Use of Estimate

The preparation of financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

F. Revenue recognition

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Sales are recognised net of trade discounts, rebates, and sales taxes (on goods manufactured and outsourced).

Income from export incentives such as duty drawback and premium on sale of import licences, and lease license fee are recognised on accrual basis.

Income from Property Development Activity is recognised in terms of arrangements with developers, where applicable.

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed using the proportionate completion method when no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service and is recognised net of service tax, as applicable.

Interest on investments is recognised on a time proportion basis taking into account the amounts invested and the rate of interest.

Dividend income on investments is recognised when the right to receive dividend is established.

G. Fixed Assets and Capital Work in Progress

Fixed Assets are stated at the cost of acquisition less accumulated depreciation and impairment losses, if any. All identifiable costs incurred up to the asset put to its intended use are capitalized. Costs include purchase price (including non-refundable taxes/duties) and borrowing costs for the assets that necessarily take a substantial period of time to get ready for its intended use. Costs are adjusted for grants available to the company which are recognized based on reasonable assurance that the company will comply with the conditions attached to the grant and it is reasonably certain that the ultimate collection of grants will be made.

NITCO LIMITED

Intangible Assets are stated at the cost of acquisitions less accumulated amortization. In case of an internally generated assets cost includes all directly allocable expenditures. Intangible assets exclude the operating software, which forms an integral part of the hardware.

Capital Work In Progress include cost of fixed assets that are not yet ready for their intended use as at the balance sheet date.

H. Depreciation

The Company has revised its policy of providing depreciation on fixed assets effective April 1, 2014. Depreciation is now provided on straight line basis on economic useful lives of the assets. Further the remaining useful life has also been revised whenever appropriate based on the evaluation. The aggregate depreciation provided as per the requirement of Part C of Schedule II to Companies Act 2013. Assets costing upto ₹ 5,000/- are fully depreciated in the year of purchase.

The useful lives of the major assets from the year of capitalisation of the assets/ rates of depreciation are estimated as follows:

Class of assets	Basis	Useful life/ rate of depreciation
Buildings other than factory building	SLM	60 years
Factory building	SLM	30 years
Plant and machineries	SLM	15 - 25 years
Office equipments	SLM	5 years
Office equipments – mobile	SLM	2 years
Computers and related assets	SLM	3 - 6 years
Electrical installations	SLM	10 years
Furniture and fixtures	SLM	10 years
Motor vehicles	SLM	4 years
Windmills	SLM	22 years
Computer software	SLM	5 years
Boat	SLM	13 years

I. Expenditure during construction period

In case of new projects and substantial expansion of existing factories, expenditure incurred, including trial production expenses and attributable interest and financing costs, prior to commencement of commercial production are capitalized.

J. Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date to ascertain if there is any indication of impairment based on internal / external factors. An impairment loss will be recognized wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value using the weighted average cost of capital. Previously recognized impairment loss is further provided or reversed depending on change in circumstances.

K. Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a weighted average basis. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale. Finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition.

Inventories are valued on the following basis:

- Stores and Spares - at moving weighted average basis.
- Raw Materials - at moving weighted average basis.
- Work-in-Process - at estimated cost
- Finished Goods - at lower of cost or estimated realisable value.
- Stock in trade - at moving weighted average basis or estimated realisable value.
- Material in Transit - at cost

L. Foreign currency transactions

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Profit and Loss.

Forward exchange contracts outstanding as at the year end on account of firm commitment transactions are marked to market and the losses, if any are recognised in the Statement of Profit and Loss, and gains are ignored in accordance with the announcement of the Institute of Chartered Accountants of India on 'Accounting for Derivatives' issued in March 2008.

M. Employee Benefits

- i. Short-term employee benefits are recognised as an expense at the undiscounted amount in the Profit and Loss account of the year in which the related service is rendered.
- ii. Post employment and other long term employee benefits are recognised as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss account.

N. Provision for Current and Deferred Tax

Tax expense for the year comprises current tax and deferred tax.

Current tax is measured at the amount expected to be paid to or recovered from the taxation authorities using the applicable tax rates and tax laws.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. The carrying amount of deferred tax assets is reviewed at each balance sheet date for any write down or reversal, as considered appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

O. Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date and are not discounted to its present value. These are reviewed at each year end date and adjusted to reflect the best current estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

P. Financial Derivatives and Hedging Transactions

In respect of Derivatives Contracts, premium paid provision for losses on restatement and gains / losses on settlement are recognised in Statement of Profit and Loss.

Q. Finance Costs

- i. Finance costs, less any income on the temporary investment out of those borrowings that are directly attributable to acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as a part of the cost of that asset.
- ii. Other finance costs are recognized as expense in the period in which they are incurred.

R. Leases

Assets taken on lease under which the lessor effectively retains all the risks and rewards of ownership are classified as operating lease. Operating lease payments are recognized as expense in Statement of Profit and Loss on a straight-line basis over the lease term. Assets acquired under leases where all the risks and rewards of ownership are substantially transferred to the company are classified as Finance leases. Such leases are capitalized at the inception of the lease at the lower of fair value or the present value of minimum lease payments and liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

S. Investments

Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline, other than temporary. Current investments are stated at cost or fair value whichever is lower. Cost is determined on a weighted average basis.

NITCO LIMITED

T. Customs & Excise Duty/Service Tax and Sales Tax/Value Added Tax

Customs & Excise Duty/Service Tax have been accounted on the basis of both payments made in respect of goods cleared and also provision made for goods lying in bonded warehouses. Sales tax/Value Added Tax paid is charged to profit and Loss account

U. Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

V. Earnings Per Share

In determining the earnings per share, the Company considers the net profit/loss after tax and post tax effect of any extraordinary/ exceptional item is shown separately. The number of shares considered in computing basic earnings per share is the weighted average number of shares outstanding during the year. The number of shares considered for computing diluted earnings per share comprises the weighted average number of shares used for deriving the basic earnings per share and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares as the case may be. The number of shares and potentially dilutive equity shares are adjusted for any stock splits and bonus shares issues.

W. Balances of sundry debtors, sundry creditors, loans and advances, deposits are subject to confirmation and reconciliation. Accounts receivables are net of advances.

Sales Tax	1,287.46	1,196.46
Income tax	64.36	64.36
Legal matters	110.34	111.52

(a) The Company is involved in a number of appellate, judicial and adjudication proceedings concerning matters arising in the course of conduct of the Company's businesses (including taxation matters). Some of the proceedings in respect of matters under litigation are in early stages and in some other cases the claims are indeterminate. Management is generally unable to reasonably estimate a range of possible loss for proceedings or dispute in such matters.

(b) Show cause notice for recovery Anti-dumping duty

Commissioner of Customs based on the investigation of Directorate of Revenue Intelligence (DRI), had issued show cause notice in 2011 for recovery of anti-dumping duty of ₹329.44 crore on vitrified tiles imported during the period 2004-09. The adjudicating authority vide its order dated 28.04.2017 has set aside the show cause notice and no antidumping duty is payable on the said imports.

(c) Penalty levied by DGFT

The Additional Director General Foreign Trade (ADGFT) had levied penalty of ₹170 crore for irregular/non fulfillment of export obligation and the same has been confirmed by the Appellate Bench of DGFT, New Delhi. The Company has been advised that the order is bad in law and accordingly will agitate the matter before the appropriate forum. No provision has been made in the Accounts for the same.

34. Corporate Debt Restructuring

The Company's business model until FY12, was largely dependent on imported tiles outsourced from China. The company suffered losses on account of sudden sharp depreciation of Rupee towards later part of calendar year 2011 which had high impact on the landed cost of tiles, adversely affecting the financial performance of the Company and its cash flow. Consequently the Company made a reference to Corporate Debt Restructuring (CDR) Cell in May 2012 for comprehensive restructuring of its loan liabilities and accordingly CDR cell sanctioned a scheme of restructuring vide Letter of approval (LOA) dated December 26, 2012, and the lenders executed Master Restructuring Agreement (MRA) on March 06, 2013. The said package sanctioned Funded Interest Term Loan (FITL) for 18 months from the Cut Off date and moratorium for principal repayment for 24 months. The working capital lenders were to provide additional working capital of ₹ 30 crore fund based and ₹ 147 crore non fund based facility. The package also envisaged disposal of non core assets of ₹ 555 crore until March 2016.

However due to adverse market conditions, the non core assets could not be disposed of and the working capital lenders failed to release additional working capital facilities as per the approved CDR package. Consequently the Company defaulted on its obligation to its lenders and all CDR lenders have classified the Company's debts as Non Performing Asset (NPA). Consequently, due to failure of the package, the Company has exited from CDR mechanism in March 2015.

Fifteen Lenders aggregating approximately 89% of overall CDR debts of the Company have assigned their debts to an Asset Reconstruction Company (ARC). The Company has requested ARC for sustainable restructuring of its loan liability. Since the net worth of the Company has been fully eroded and the uncertainty involved in ultimate outflow, the Company has not provided for unpaid interest. Had the interest as per Loan Agreements been provided for, the interest for the year ended March 31, 2017 would have been higher by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs), Losses for the year ended March 31, 2017 would have been higher by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs), corresponding bank liability would have increased by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) and net worth of the Company would have been lower by ₹ 22,632.61 Lacs (previous year ₹ 19,694.75 Lacs) as on March 31, 2017.

35. Previous year's figures have been regrouped / restated / reclassified / rearranged wherever necessary to make them comparable with those of the current year.

- (v) **Foreign Investments or collaborators, if any**

Not Applicable.

II. Information about the Appointee:

- (a) **Background Details**

Mr. Vivek Talwar is the Managing Director of your Company. He joined the Company as a Director in 1980. The operational responsibility and day-to-day functioning of the Company were gradually handed over to him. He was instrumental in setting up a plant at Alibaug to manufacture ceramic floor tiles and also in diversifying the business of the Company by entering into new activities such as marketing of imported marble, vitrified tiles and development of real estates.

- (b) **Past Remuneration**

The previous term of Mr. Vivek Talwar as a Managing Director was for the period of three years from 1st April 2014 at a remuneration of ₹ 4,00,000/- per month perquisites in terms of Section 196, 197 and 203 read with Schedule V of the Companies Act, 2013. However, considering the losses incurred by the Company, the remuneration paid has been restricted to ₹ 60,00,000/- per annum, i.e. the extent of limits as prescribed under Section II(A) of Part II of Schedule V to the Companies Act, 2013. Apart from the remuneration in form of salary, Mr. Vivek Talwar has not been paid any other remuneration except other privileges as are generally available to other employees of the Company.

- (c) **Recognition or Awards**

Under his stewardship, the Company has grown rapidly. He has played a pivotal role in promoting the 'NITCO' brand.

- (d) **Job Profile and his Suitability**

Mr. Vivek Talwar is associated with the Company since 1980. At present, he is the Managing Director of the Company. The Company is working on a turnaround strategy and considering the experience of Mr. Vivek Talwar in the field of tile

and real estate industry, he is ideally suited to the nature of our Industry.

- (e) **Remuneration Proposed**

The salary proposed for Mr. Vivek Talwar is ₹ 4,00,000 per month and other perquisites and allowances as fully set out in the Item No. 4 of the Explanatory Statement to the Notice.

- (f) **Comparative remuneration Profile with respect to industry, size of the Company, profile of the position and person (in case of expatriates the relevant details would be w.r.t. the country of his origin)**

Taking into account the turnover and brand equity of the Company, Mr. Vivek Talwar's invaluable experience in the Company, his role in placing the Company in pre-eminent position in the Industry, his strategic role in turning around the Company from its difficult position, the proposed remuneration to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

- (g) **Pecuniary relationship directly or indirectly with the Company, or relationship with the managerial personnel, if any**

Mr. Vivek Talwar has a pecuniary relationship with the Company as the Promoter and Managing Director of the Company. None of the Directors or Key Managerial Personnel of the Company or their relatives, other than Mr. Vivek Talwar or his relatives (to the extent of their shareholding interest, if any, in the Company), are in any way concerned or interested, financially or otherwise, in the resolution.

III. Other Information:

- (a) **Reasons of loss or inadequate profits**

The Company's business model was predominantly dependent on large imports of vitrified tiles from China. However, sudden steep drop in the value of rupee against USD, the business of import of vitrified tiles and distribution within India became unviable. With imports suddenly becoming unviable, company had to deal with high distribution costs which had to be scaled down gradually in line with reduction in the inventory. Due to demonetization and recessionary conditions prevailing in the economy, the sales in FY 2016-17 registered a fall. The company currently does not enjoy any working capital facilities which put further pressure on the operations of the Company. All these factors impacted our profitability for the FY 2016-17.

- (b) **Steps taken or proposed to be taken for improvement and Expected increase in productivity and profit in measurable terms**

The Company took steps to shift the business model to local outsourcing/joint venture

arrangement. This sudden change in the business model has affected the financial performance of the company in the last few years. Despite several challenges faced by the Company including demonetization, the company was able to achieve net revenue of ₹ 722.80 crore, a decrease of 11.13% over last year. Despite of drop in turnover, the company has achieved a positive EBITDA of ₹ 8.24 crores in FY 2016-17, against an EBITDA loss of ₹ 3.74 crores in FY 2015-16. The company was able to achieve positive EBITDA for the first time in last four years, due to tight control on the costs and the strong brand equity enjoyed by the Company. The management is confident that the strategy now being pursued by the Company is appropriate for achieving the desired result.

(c) Expected increase in productivity and profits in measurable terms

Considering the brand equity enjoyed by the Company and the performance of the Company during the current year in a tough environment and several steps taken for improving the performance of the Company, the management is hopeful of a turnaround in near future which in turn shall lead to an increase in productivity and profits of the Company. In addition to this a competitive business strategy and a strategic plan has been set up by the Company in order to increase the productivity and profits. The Company has a strong distribution network which caters to demand from across India. Company has widened its base further and has built a reliable client base overseas as well. The Company has also increased its distribution network in the North and East zone of the country.

IV. Disclosures:
