An aerial photograph of a modern outdoor patio. The patio floor is covered in large tiles with a repeating geometric pattern of interlocking circles in dark grey and light grey. To the left, there is a lush green lawn. Several potted plants are arranged along the edge of the patio: a tall grass plant in a white pot, a smaller plant in a dark pot, and a larger leafy plant in a dark pot. A portion of a light blue bicycle is visible on the right side of the frame.
