Where inspiration drives belief. Where nature motivates surface designs. Where innovation and world class technology make it happen.

We are NITCO, India's premium tiles, marble & mosaic brand. As trendsetters, we are the preferred choice of architects in the country. Our premium surfaces make you feel closer to nature. Come, soak in the beauty of nature in every form & give your space the rejuvenation they need.

ABOUT US

For over 70 years, NITCO has been a leader in the surface industry, known for its innovation, quality, and sustainability. As the only global company offering Tiles, Marble, and Mosaic, we blend cutting-edge technology with nature-inspired designs, making us the preferred choice for architects, builders, and discerning clients.

NITCO's rich legacy of trust and quality has shaped some of India's most iconic buildings and townships. Recognized globally for exceptional craftsmanship and certified quality, NITCO continues to set benchmarks in the industry, with a presence in over 55 countries.

With a robust network of 650+ dealers, 10 exclusive Le Studio experience centers, and 150+ franchise stores across India and Nepal, NITCO ensures easy access to all its products. Our global footprint extends our reach, making our products a favorite among clients worldwide.

CERTIFIED FOR A BETTER TOMORROW

QUALITY.
SAFETY.
SUSTAINABILITY.

ReSA
Compliant

NITCO is the only company in the world with Tiles, Marble and Mosaic under one roof. Enabling the delivery of globally benchmarked products.

NITCO es la única Empresa Fabricante en el Mundo con Revestimientos y Baldosas Porcelánicas, Azulejos, Mármol, y Mosaico bajo un mismo techo, lo que permite la entrega de Productos, con una cota de referencia, a nivel global.

PORCELAIN SLABS

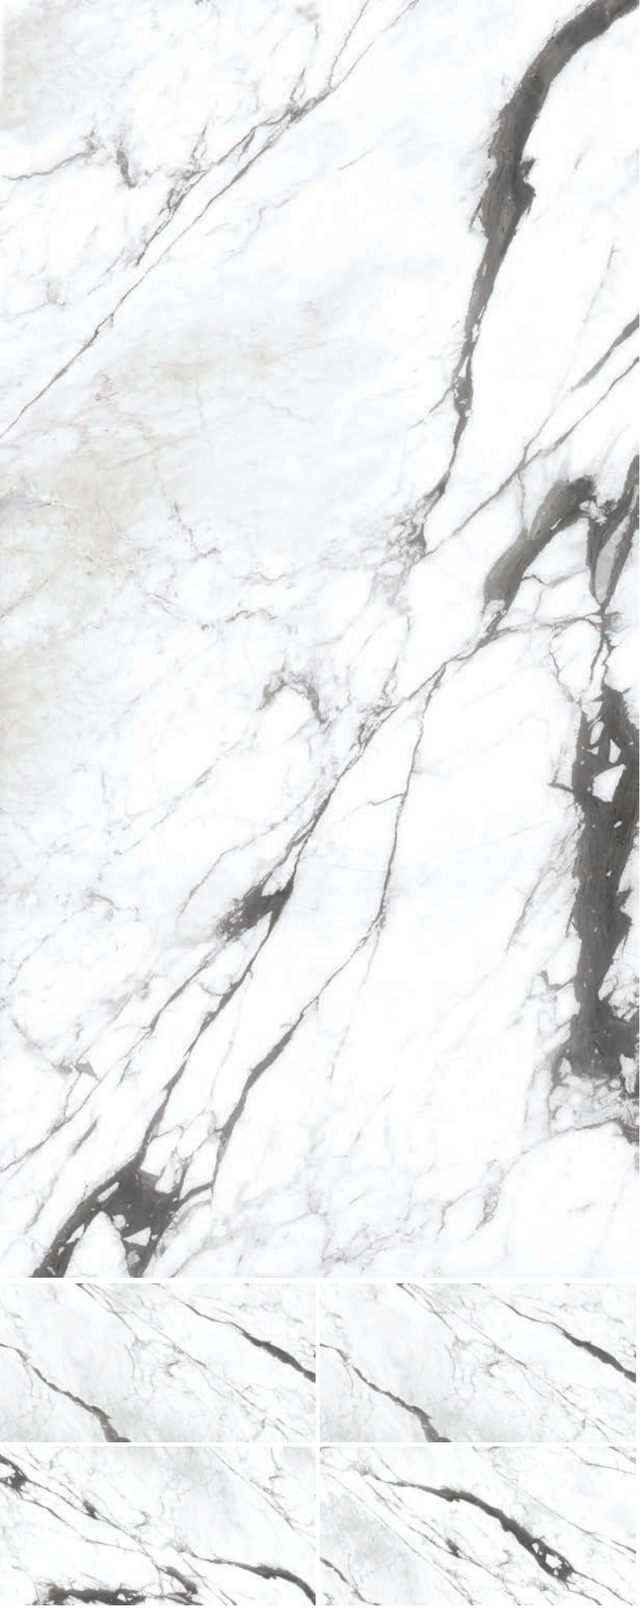

Crafted for Elegance

A collection of porcelain slab where sophisticated design meets exceptional scale. Inspired by the timeless beauty of natural materials, each surface brings depth, detail and character to contemporary interiors. With striking patterns, elegant finishes and seamless visual continuity, the collection offers versatile possibilities for elevated spaces and distinctive architectural expression.
