

NITCO
TILES MARBLE MOSAICO

World
of Marble

For ages, marble has been known for its timeless charm. It beautifully adds elegance and character to every room it is part of. Hence, considering this nature's gift as one of the key parts of a promising interior project comes naturally to most architects and designers.

With NITCO, you can bring home an exquisite piece of splendor! Explore world's best quality marble sourced from the finest mines in Italy and around the globe. We are the only brand in Asia and amongst the top 5 largest in the world to own a fully automated marble processing plant. Our unique Triple Reinforced Technology (TRT) gives marble a charmed makeover, shaping it into an exquisite piece of splendor.

NITCO brings you a kind of natural wonder that has perfected the art of bringing out the beauty of natural stone. A perfect blend of elegance durability and style straight from Mother Nature.

NITCO Signature

1. NITCO assures large quantity supplies of high gloss Exclusive & Exotic marble at par with the best in the world:
2. Superior quality marble sourced from the finest mines in Italy and over 40 countries around the globe.
3. Marble processed at the state-of-the-art Breton processing plant in India.
4. It is one of the very few fully automated marble processing plants in the world and only one in India.
5. Consistent ultra-high precision in cutting is accomplished with BM gangsaw machines from Italy.
6. Natural marble is strengthened using automated netting and the world's best epoxy resin (Tenax).
7. A vacuum processing technique seals the tiniest of micro-pores, to ensure perforation-free marble.
8. NITCO is the only company to employ a pre-grinding process before polishing to achieve flatness accuracy.
9. A special super-gloss process involving UV resin and processing in the UV tamp chamber imparts the highest gloss levels possible.
10. Fully automated processes ensure consistency of size, incredible longevity and unmatched enhancement of marble's natural beauty.
11. NITCO's professional team is committed to delivering target quantities-on-time, every time.

NITCO Cut to Size

Every architect's dream come true!

Marble has been a hot favourite material for flooring and home beautification since centuries. Used for sculptures and grand buildings, these multi-colored stones look absolutely gorgeous and take any look from drab to fab. White, delicately veined marble can lend a whole new look to your interiors. If you are someone who wants to make use of these sensational stones at one of your site-projects, we've got a service that is a complete game-changer.

With over 300 natural marble designs, you pick your choice of slab and we cut it to the size and shape you require. With no wastage of time and material, this is one of the most sought-after services in the industry. And NITCO is the first to provide it to its clients. All you have to do is share your layout in Autocad and watch your imagination come alive. We will ensure to use the maximum area of marble to minimize any wastage. With an advanced and precision-based technology, the cut-to-size marble service helps you stay a cut above the rest.

NITCO Luxe

With our customized design solutions, give life to your vision. Our cutting edge technology helps you create tangible works of art; be it accent pieces, kitchen countertops, table tops, statement walls or more, using natural marble, stone or granite. So go ahead, explore unlimited design possibilities with NITCO Luxe!

Triple Reinforcement

Nitco's unique Triple Reinforced gives the marble a charmed makeover, shaping it into an exquisite piece of splendor.

Marble blocks are strengthened by Fiber and Imported Rock Resin. The surface is prepared by drying in an oven before applying Fiber, while the bottom and top surfaces are filled with Epoxy. Vacuum process and curing in oven ensures filling of Epoxy in the smallest of pores. Extra strengthening is achieved by pre-grinding and a UV resin application.
