

Hello!

Here's to a great 2022!
We bring you some wonderful news to start
the New Year on a cheerful note.

LOOK WHO CAME VISITING!

Celebrated Sri Lankan cricket legend and former captain, Mr Arjuna Ranatunga visited our office last month, and we were thrilled to meet him!

We gave him a tour of our Le Studio and Marble plant in Silvassa to showcase our wide range of nature-inspired tiles, mosaic and exotic marble. To commemorate his visit, the team also presented him with a cricket bat made of mother of pearl.
